# 1-35100-K187

## OMD Mk6 replacement bezel

### Product overview

The bezel allows an OMD Mk6 control panel to be flush mounted in a wall or console.

The bezel can be fitted as a replacement for an existing flush mounted control panel or used to convert a bulkhead mounted panel to a flush mounted panel.

### Details

- Flush mounts the OMD Mk6 control panel in a wall or console
- Replaces an existing bezel if the original bezel is damaged
- Can be used to convert an existing bulkhead mounted panel to a flush mounted panel
