SG-SKYHAWK-4TB

Seagate SkyHawk HDD, 4TB

Seagate SkyHawk hard drive series

Built for video DVR and NVR security camera systems, SkyHawk delivers video-optimised storage that ensures crisp, clear surveillance footage.

Handle intensive workloads with ease. SkyHawk supports up to 180 TB/year, managing 64 HD cameras streaming simultaneously — without dropping a single frame.

The hard drive can be used with all TruVision recorders (except for TVN70/TVN71).

Details

- Hard drive for video surveillance applications.
- Compatible with TruVision recorders.
